DEFENCE FUNDED POSTGRADUATE STUDY AT THE AUSTRALIAN DEFENCE FORCE ACADEMY—SESSION TWO 2008

Introduction

The purpose of this DEFGRAM is to call for Australian Defence Organisation (ADO) wide nominations for postgraduate study at the University of New South Wales at the Australian Defence Force Academy (UNSW@ADFA) for Session Two 2008, and to outline the enrolment procedures.

Postgraduate degree programs

As a component of the continuing professional development of Defence personnel, a broad range of postgraduate programs are available at UNSW@ADFA, leading to the following qualifications:

- By research:
 - Doctor of Philosophy,
 - Doctor of Information Technology,
 - Master of Arts,
 - Master of Engineering, and
 - Master of Science.

By coursework (whether by attendance or distance education), graduate certificates, diplomas and masters degrees in:

- Arts;
- Defence Studies;
- Engineering Science;
- Management; and
- Science (including Information Technology).

Eligibility

Defence-funded postgraduate studies are open to all permanent ADO Service and civilian personnel, including Reserve Force members rendering continuous full-time service. Members need not necessarily have undertaken an undergraduate degree, as work experience and other educational opportunities will be taken into account when applying. Further, there is no return of service on member-initiated postgraduate study at ADFA under this scheme. The ADFA website should be consulted for further entry and eligibility requirements. (See <http://www.unsw.adfa.edu.au/student/future/postgrad.html>.)

Application process

In order to be considered eligible for funding all students must complete an application [Form AD 481—Application for Postgraduate Study at ADFA](#). You must submit an application for funding each session. If you do not submit an application by the due date, you will be liable for your tuition fees.

Applications must reach the relevant Defence Assisted Study Scheme (DASS) or Studybank Office (listed in [annex A](#) and [annex B](#)) by close of business on 30 April 2008. Applicants will be notified if they were successful in obtaining a Defence-funded position after 01 June 2008. Please contact your DASS or Studybank office after this date to enquire whether you have been granted funding.

Additionally, new students must apply direct to ADFA through Student Administrative Services by 20 July 2008. ADFA will charge a late fee for students who apply after this date. Do not wait to be informed of your funding status before applying to ADFA. The UNSW@ADFA application form for new students can be found on the ADFA website (see <http://www.unsw.adfa.edu.au/student/future/postgrad.html>).
