7. Applicants for research degrees *(complete the following section and provide further documentation)*

- **Previous research experience**

List separately any research or development work performed, together with reference to thesis completed and/or papers/articles published; if a joint research project was undertaken indicate the significance of your contribution.

- **To be completed by prior research students**

Provide details of all prior research studies that you have commenced but not completed (except those indicated above). Students transferring their candidature from another Australian university must disclose full details of any incomplete studies.

Name of University (and location if not in Australia)	Degree undertaken	Date last enrolled	Number of full-time semesters enrolled*	Number of part-time semesters enrolled*
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

* You are deemed to have been enrolled for a particular semester at an Australian university if you were enrolled on the HECS census date for the semester (ie 31 March for semester one or 31 August for semester two). Usually a full-time candidate will be enrolled with a load of .5 per session and a part-time candidate with a load of .25. If you were enrolled with a load other than the usual load for the session please specify the load.

- **Research proposal**

Applicants are required to consult with the appropriate School before completing this section.

Provide a separate preliminary research proposal (200-300 words) addressing the following items:

1. Thesis title or Topic Area
2. Aims and objectives of the research, its context and significance
3. Research methodology, whether experimental (including human or animals), computational or field research
4. Expected resources required (equipment, software, etc)
5. Likely timetable for research

Place where research will be undertaken:

Prospective supervisor/s:
